Print performance of Keymax Laser Cartridges is tested in accordance with

ISO 19798 and ISO 24712

for color cartridges.

In 2007, testing criteria according to ISO 19798 and ISO 24712 Standards were established at all Keymax Laser Cartridges production plants to define the yields of our color Laser Cartridges.

We make sure that the page yield of Keymax Laser Cartridges equivalent to those of the original products.
